OBJECTIVE

As a third-year BTech student majoring in Information Technology at Cochin University of Science and Technology, I am seeking opportunities to apply my technical, design, and system management skills in real-world projects. Passionate about web development, UI/UX design, and DevOps, I aim to contribute to innovative and scalable tech solutions while continuously learning and evolving in a collaborative environment.

PROJECTS

Civic Safety Android App
Tech Stack: Flutter, Appwrite
- Developed a mobile application to report and track civic issues like damaged roads, faulty streetlights, etc.
- Used Appwrite for real-time database integration and user authentication.
- Focused on delivering a smooth user experience with clear navigation and intuitive design.

Public Transport Spare Parts Management Website
Tech Stack: HTML, CSS, JavaScript, mySQL
- Developed a web-based system to manage and monitor spare parts inventory for public transport services.
- Implemented a MySQL database for storing part records, usage history, and availability status.
- Designed a clean, functional interface to streamline part registration, tracking, and maintenance workflows.

Plant Diagnosis Survey – UX Case Study
Tools: Figma, Google Forms
- Developed a web-based system to manage and monitor spare parts inventory for public transport services.
- Implemented a MySQL database for storing part records, usage history, and availability status.
- Designed a clean, functional interface to streamline part registration, tracking, and maintenance workflows.

EXPERIENCE

Web Development Intern – EliteTech Intern   **Aug 2024 – Oct 2024**
- Worked on building web applications using modern frontend technologies.
- Collaborated with a team of developers to create responsive layouts and improve UI/UX.

Freelance Graphic Designer   **2024 – Present**
- Designed logos, business cards, and promotional posters for clients through Fiverr.
- Specialized in minimalist and brand-consistent design.

EDUCATION

Cochin University of Science and Technology, Kochi, Kerala   **2022 - present**
Bachelor of Technology in Information Technology

Holy Family HSS Muttom, Alappuzha, Kerala   **2019-2021**
Higher Secondary Education

TECHNICAL SKILL

- Languages: HTML, CSS, JavaScript, C++, Python
- Frameworks & Libraries: React.js, Tailwind CSS, Bootstrap
- Tools & Platforms: Figma, Git, GitHub, VS Code, Appwrite, mySQL
- Databases: MongoDB, Firebase (basic), SQL
- Other: UI/UX Design, Wireframing, Responsive Design
